

The Future of Startups

From Unicorns to Zebras

October 4th, 3:00 p.m. - 4:30 p.m.

CASE Building Room E422

Startups are increasingly looked to as the future of the economy, but their founders, their investors, and the people they chiefly serve often represent a narrow, privileged minority.

Mara Zepeda is working to change that.

Come for an open conversation on how to foster truly inclusive entrepreneurship.
